Other info about rehearsal:

- You can watch your class rehearse and video and photo the practice. We will not allow video and photo during the actual event so please take advantage of this.
- Dress rehearsal is for one performer, and one responsible adult and siblings if necessary. Please do not bring a large group of people to the rehearsal. **See *** below
- I recommend one responsible adult bring children to their rehearsal, and then to have the rest of your guests come to the show at the designated showtimes (little earlier for seats of course, house opens about ½ hour before showtime)
- After your class rehearsal you can relax for a little in the auditorium or leave the premises for lunch or snacks, etc.
 - You can dress and do makeup and hair at the venue instead of home, just be sure you actually have all of your costume, accessories and dance shoes with you before leaving the house!
- *** Please note that all persons will be cleared from the venue at the conclusion of dress rehearsal and you will be required to get into the general admission line outside to have your tickets scanned**
- ***Do not block off seats in the auditorium to save them for the show. Any items in seats after the dress rehearsal will be removed prior to the official opening of the house.**
