### Other info about rehearsal:

- Dress rehearsal is for one performer, and one responsible adult and siblings if necessary. Please do not bring a large group of people to the rehearsal.
- If your rehearsal is on the day of the show, I recommend one responsible adult bring children to their rehearsal, and then have the rest of your guests come to the show at the designated showtimes (house opens approximately 30 minutes before showtime).
- You can dress and do makeup and hair at the venue instead of home for the rehearsal, just be sure you actually have all of your costume, accessories and dance shoes with you before leaving the house
- **Please note that all persons will be cleared from the venue at the conclusion of dress rehearsal. No exceptions. Please make sure your guests are aware of this as every year I have issues with people who refuse to exit after the rehearsal.**
